One of our Educators that lives out the core value of Serve each and every day at Holy Angels is Ms. Dianna. Most of her days are spent serving our PreK scholars as a lead instructional aide. She also stays to work with our older scholars during after care. Whenever and wherever she is needed she is happy to step in and do what is needed for our scholars to be successful. We are so grateful for Ms. Dianna serving our scholars with a loving heart.

2021-2022 THEME: CULTIVATING COMMUNITY

On Thursday, December 16, our scholars performed in our annual Christmas program. We were unable to perform and celebrate in 2020, so our scholars were extra excited for this performance. The scholars started practicing and preparing at the beginning of December for the performance. With our theme for the year being Cultivating Community our scholars really wanted to put on a great show for our families and community. It was very evident that all of their practice and rehearsing paid off. The PreK - 6th grade scholars put on a wonderful performance that was capped with all of the scholars singing, *We Wish You A Merry Christmas*, to a packed gym of family members and community members.

We are so thankful to those of you that came to support our scholars in the Christmas program. We are proud of their performance. We pray for everyone's health and happiness in this new year. Please continue to pray for our scholars, educators, and community. Happy 2022.
