

Holy Angels

CATHOLIC SCHOOL
A NOTRE DAME ACE ACADEMY

WHAT'S BEEN HAPPENING

We are back to in-person learning. As I type this I can hear the voices of our scholars asking questions and engaging in their learning. I can smell the nutritious and healthy lunch being prepared for our scholars. I am witnessing scholars revisiting the hallway procedures and expectations flawlessly, even though they have not been in the building since November. It brings such joy to all of us to see the smiles on the scholars faces as they see their friends and teachers. Thank you to all the families that work with us as we continue to persist against the unexpected. Our hard-working scholars, families, Holy Angels team, and NDAA team continue to overcome challenges and never stop learning.

CORE VALUES & ROOT BELIEFS

Seek - All of us will learn

Persist - Attitude determines altitude

Excel - We are children of God, we are wonderfully made

Love - We are one family; home, school, community

Serve- I am third

JANUARY FOCUS

Root Belief: Attitude determines altitude

Core Value: Seek

Nguzo Saba: Kuumba

Habit: Think win, win

UNIQUE ROOTS

This school year we launched a specials course to transform education and our community. Our program creates an engaging and project-based curriculum that incorporates scholar voice and choice, strong use of data, assessment, and feedback. The kindergarten- second grade receive an introduction to our school culture including: yearly theme, root beliefs, core values, Nguzo Saba principles, and habits. We utilize the Green Bronx Machine curriculum for our third and fourth grade classes, which incorporates the use of three tower gardens that were donated to Holy Angels by Anthem during the 2018-2019 school year. All of our school culture principles are also tied into the curriculum to begin cultivating an awareness around sustainability for our community and the world. Fifth and sixth grade have a very specific focus on incorporating our school culture principles into character traits and leadership opportunities. Our art teacher, Ms. T, has been creating a character development pyramid in our Unique Roots room.
