EDUCATOR FOCUS

On Saturday, October 2, our former Kindergarten teacher, Cathy Miller, was to be honored at the Indianapolis Indians baseball game. She was nominated last school year as Hero of the Game. Unfortunately, the weather decided not to cooperate and the game was canceled because of a rain delay. We hope that we will be able to return next season and celebrate Mrs. Miller and her wonderful career in education.

2021-2022 THEME: CULTIVATING COMMUNITY

On Tuesday, September 14, Holy Angels hosted the Extra Yard for Teachers BIG DAY event. Representatives from our other Notre Dame ACE Academies (Central Catholic School & Saint Philip Neri), the University of Notre Dame, the College Football Playoff (CFP) Foundation, and other community members joined in this celebration.

The CFP Foundation introduced the BIG DAY in 2020 to recognize the incredible contribution of teachers during the pandemic. The effort was an opportunity to have the college football community help celebrate and honor the hard work of teachers during their Extra Yard for Teachers Week.

Notre Dame gave \$1,000.00 to the teachers at all three ACE Academies for their work in piloting the new ELA program- Wit & Wisdom. ACE teachers from all corners of the country have been awarded thousands of dollars in grants from the CFP Foundation over the last seven years to help provide supplies and other essential classroom items.

In addition, the teams at all three ACE schools received a delicious lunch on the BIG DAY. This event was another way for Holy Angels to continue Cultivating Community and highlighting the incredible teaching and learning taking place each day.
