CATHOLIC SCHOOL  
A NOTRE DAME ACE ACADEMY

## WHAT'S BEEN HAPPENING

On November 23, we again made the pivot back to distance learning. Although this is not the ideal way for our scholars to learn and grow, at this time it is the safest and healthiest option for our families and team.

We are very proud of the persistence our scholars continue to show each and everyday. For the first week of going back to distance learning we had over 90% of our scholars logged in and engaged in learning each day. Over the course of the next five weeks we want to ensure our scholars continue building upon the strong start to the school year.

A reminder that each Monday materials should be picked up for the current week. Also, we will have lunches provided for the entire week that can be picked up between 12-2.

## GIVING THANKS

We give thanks to the generosity of our partners, community members, and friends that help us do the work we do everyday. We are one family; home, school, and community.

**Notre Dame Club of Indy-** provided each scholar with a Shamrock Sack, which was filled with healthy snacks and food for scholars to have at home.

**ACE Allies-** Helped teachers organize materials and supplies for our scholars to take home for distance learning.

**Knights of Columbus chapter at St. Luke's-** provided each scholar with a brand new winter coat for the upcoming winter season.

**Immaculate Heart of Mary's parishioners & PTO-** provided a gift and snacks for all of our scholars. They also gifted each teacher with a gift card, which many used to help purchase supplies for the return to distance learning.
