2021-2022 THEME: CULTIVATING COMMUNITY

RightFit

On Sunday, November 7, one of our greatest community partners entered His Eternal Kingdom. Cal Burleson was a member of the Indianapolis Indians baseball team's front office for 45 years. His legacy, however, goes far beyond baseball. The impact he had on the community of Indianapolis is his true legacy. Cal was a friendly face to all and connected with people from all walks of life, from the scholars in the Notre Dame ACE Academies (NDAA) RightFit program to first-time attendees of Victory Field to his front office colleagues.

Cal spent many evenings at Holy Angels over the last five years with his self-started after school program, which over 90% of our scholars participate in. Holy Angels was one of the first schools to join the RightFit program and was the inspiration for the other NDAA schools becoming a part of the program. Cal will be greatly missed in the Central Indiana communities, especially the Holy Angels community.

Some wisdom from Cal to conclude- "We need to protect innocent people from those who don't care...to defend the oppressed." Rest In Peace our friend.
