CATHOLIC SCHOOL  
A NOTRE DAME ACE ACADEMY

**MAKE IT A MOVEMENT, NOT A MOMENT.**

2021-2022

## EDUCATOR FOCUS

Our educator selected for living out the core value of SEEK is Mrs. Waterman, our second grade teacher. She joined the HA team at the start of this school year. From day one she has been seeking ways to grow as a teacher, helping scholars develop the skills necessary to be successful in 2nd grade, and helping around the school. One of her greatest examples of living out the value of SEEK has been working with a number of scholars after school to provide extra tutoring.

## CORE VALUES & ROOT BELIEFS

# 2021-2022 THEME: CULTIVATING COMMUNITY

The theme for the 2021-2022 school year at Holy Angels is Cultivating Community. In our 4th grade Unique Roots class we have focused on ways we can cultivate our community and other communities throughout our country and world.

In February, we had a guest speaker, Fr. Tiago, educate the scholars about a village in Mozambique, Africa. This village has no electricity or running water. Fr. Tiago explained how villagers have to walk 5-10 miles just to find a water source. He also discussed how he has started a project to supply the village with a water pump. Scholars learned what a valuable resource this water pump would be to the villagers and have decided to help raise money for the implementation of this pump over the season of Lent. If anyone would like to help the Holy Angels community raise money for the water pump please contact Ms. Guynn at 317-926-5211 or stop in and see her. We will be collecting the money for the entire month of March. Thank you for helping our scholars learn about ways to cultivate community here and abroad.
