MAKE IT A MOVEMENT, NOT A MOMENT.

2021-2022

EDUCATOR FOCUS

Ms. Ashley is our educator recognized for living out our core value of LOVE. She continually shows love to the scholars in her classroom by creating fun and engaging learning activities, having exciting themes related to learning targets, and having a smile on her face. Ms. Ashley also spends much of her time outside of the classroom working with scholars on their academic and social emotional skills. This school year Ms. Ashley created the *Queen Fix Your Crown* girls mentoring group. Twice a week Ms. Ashley stays after school to mentor 1st- 6th grade girls. They focus on self-improvement, health and wellness, and growthwork. Thank you, Ms. Ashley, for being a shining example of LOVE.

On March 31, representatives of Holy Angels attended the Community Engaged Learning Showcase at Marian University. We had the opportunity to listen to keynote speaker Ron Rice talk about the importance of community engagement and the role of the university and schools in the community. We also were able to see the work university students are doing in the community as represented by their Franciscan Value posters. This showcase was a great opportunity for us to share with the community about the great initiatives going on at Holy Angels and talk about the root beliefs and values we instill in our scholars each day to help them develop into engaged citizens of the community.

Enrollment to Holy Angels is now open for any new families that would like to join our HA family and be a part of the great initiatives taking place here at the school and the surrounding community. Our PreK - 2nd grade classes are almost full. We still have a few available spots in our 3rd - 6th grade classes. Come visit the school office for registration packets and to schedule a tour.
