CATHOLIC SCHOOL
A NOTRE DAME ACE ACADEMY

WHAT'S BEEN HAPPENING

In April our 3rd-6th grade scholars started the state ILearn assessment. These tests are considered state summary tests. The scholars have completed math and reading tests so far and are finishing with science and social studies this week. These tests are long and difficult and we are so proud of how hard the scholars have persisted throughout these tests.

In May we will do a few days of NWEA testing as well. These tests help us track student progress across the year.

All of these assessments are to help us continue to grow as a school as we can look at the data across grades. Continue to encourage your scholar(s) to work hard and focus on their classwork and growthwork. Also, encourage them to always persist and remind them that their attitude will determine their altitude.

LEVEL 4 PREK PROGRAM

During the months of August - November, Holy Angels completed the necessary documentation to have a Paths to QUALITY (PTQ) program visit. PTQ is Indiana's child care quality and improvement system. This system assesses the quality of care within a program, works to improve quality levels, and gives families an easy to recognize symbol that makes the difficult decision of choosing child care easier. There are four different levels:

Level One: Health and safety needs of children met

Level Two: Environment supports children's learning

Level three: Planned curriculum guides child development and school readiness

Level four: National accreditation (the highest indicator of quality) is achieved
