September 9- Family Night #2

September 10- Progress Reports

September 14- Notre Dame Banner Event for scholars

2021-2022 THEME: CULTIVATING COMMUNITY

For the 2021-2022 the Holy Angels team has selected Cultivating Community as our theme for the school year. During our professional development time (August 2 - August 5) our team will be creating a school culture goal aligned with this theme. With the completion and dedication of our new church in June our team felt it was important for us to continue pushing forward our root belief of: We Are One Family; Home, School, and Community. Throughout the upcoming school year we will be working in partnership with the parish, our families, and many other community partners to continue cultivating community in our neighborhood.

One community partnership that has been cultivated over the last two years is with former Colt, Marlin Jackson, and his Fight For Life Foundation. During this school year the foundation will be partnering with our PreK classes to provide social and emotional supports and a positive behavior incentive program- Building Dreams.

**COMMITTED TO
CHANGE**
