Holy Angels Way- For the 2019-2020 school year we will continue to focus on the HAW. Throughout the course of the school year scholars will develop their social, academic, and religious skills. We will build upon this foundation this year by introducing and implementing the Notre Dame ACE Academies Instructional Framework to maximize scholar and adult learning.

September 12- Family Night- Please join us for sandwiches and drinks at 5:30 pm. At 6:00 pm we will begin our Honor Scholar Tie presentation. 3rd-6th grade scholars that excelled in the 2018-2019 school year in the areas of academics, MAP scores, ILearn, and living out our core values will receive their Honor Tie. These ties can be worn as part of our daily uniform with a solid white button up shirt. We will also name our first scholar of the month nominees. There will also be time for families to visit classrooms and get an update on what is taking place in their scholars class.

2019-2020 Holy Angels Focuses:

- Instructional Coaching
- Literacy
- Unique Roots

Unique Roots: This will be our Holy Angels group that cares for the Tower Gardens, outdoor gardens, and chickens. Scholars in the 2-5 grades have received applications to be apart of this group. Durning the upcoming school year we will continue to build and develop this group of teachers and scholars.

Big 3- The Big 3 are essential pieces of our scholars becoming responsible and respected individuals. The following are our Big 3:

Growthwork- items our scholars are expected to complete at an assigned date. This helps create an understanding of deadlines and completing tasks in a timely fashion.

On time: showing up and on time are vital for our scholars success now and in the future. See section below about tardies and absences.

Dress code: our scholars are expected to be in a neat and clean uniform everyday. Being dressed for for success creates an image and mindset of success.

Tardies/Absences- For your scholar(s) to be as successful as possible, it is important that they are on time each day and stay the entire day. Getting scholars to school on time and picked up on time are an expectation of parents attending Holy Angels Catholic School. Late arrivals are a disruption to the learning environment and put the scholar arriving late at a disadvantage. Appointments should be made outside of school hours whenever possible. It is really difficult for scholars to make up the discussions/teaching that happened while they were gone. Our before care begins at 6:30 am.

Important Dates- Please review the important upcoming dates on the left.

G. O. D. and Attendance-

Here is a look at our goals for the 2019-2020 school year at Holy Angels:

Growthwork turned in on time- 92%

On time (prior to 7:45)- 95%

Dress Code- 97%

Daily Attendance- 97%

Last Week:

G-87% O-86% D-96% DA-95%

Please ensure your child is completing their Growthwork each night and it is placed back into their take home folder and placed in their backpack for the next day.

Our daily attendance is close to the 100% we would like to see each day, however, we need to make sure our scholars are arriving prior to 7:45 for the beginning of the school day.

Thank you

Thank for entrusting your scholar(s) and their future with the Holy Angels staff. Have a great August.
